

DECLARATION FILED WITH U.S. DESIGNATED OFFICE UNDER 35 U.S.C. 371(c)(4)

As a below named inventor, I hereby declare that:
My residence, post office address and citizenship are as stated below next to my name;
I verily believe I am the original, first and sole inventor (if only one name is listed below) or a joint inventor (if plural inventors are

named below) of the invention entitled: Prostaglandin derivatives for the
treatment of glaucoma or ocular hypertension.

described and claimed in international application no. PCT/SE89/00475 filed 6 September, 1989

and as amended on _____ (if any), which I have reviewed and for which I solicit a United States patent;
I do not know and do not believe the same was ever known or used in the United States before my invention thereof, or
patented or described in any printed publication in any country before my invention thereof or more than one year prior
to my international application;

I do not know and do not believe that the invention was in public use or on sale in the United States of America more than one year
prior to said earlier application;

that the invention has not been patented or made the subject of an inventor's certificate issued before the date of my international
application in any country foreign to the United States of America on an application filed by me or my legal representatives or
assigns more than twelve months prior to my international application;

that I acknowledge my duty to disclose information of which I am aware which is material to the examination of my international
application, and

that as to applications for patents or inventor's certificates on the invention filed in any country foreign to the United States of
America prior to my international application by me or my legal representatives or assigns,

- ☐ no such applications have been filed.
☐ such applications have been filed as follows:

ASSIGNMENT OF PATENT RIGHTS BY JOINT INVENTORS

(to be read only when the inventors are simultaneously signing the declaration attached to their patent application)

Whereas the undersigned inventors have made an invention which is described in the U.S. patent application that we are executing on this same date and which has been given the title "Prostaglandin derivatives for the treatment of glaucoma or ocular hypertension", and

Whereas, PHARMACIA AB
an organization existing under the laws of Sweden
having its principal office and place of business address located at
S-751 82 UPPSALA, Sweden
and hereinafter referred to as "ASSIGNEE", wishes to acquire the entire right, title, and interest in and to said invention and any U.S. Patent that may be granted therefor,

Now, Therefore, Witnesseth, That, for and in consideration of the sum of one dollar to us in hand paid by the said ASSIGNEE, and other good and valuable consideration, the receipt of which is hereby acknowledged, we do hereby sell, assign, and transfer to the said ASSIGNEE the said invention and application and all divisions and continuations thereof, and any and all U.S. patents which may be granted therefor, and any and all reissues of said patents which may be obtained, the same to be held and enjoyed by the said ASSIGNEE and its assigns as fully and entirely as the same would have been held and enjoyed by us if this assignment had not been made.

We hereby authorize the Commissioner of Patents to issue any patents on said invention or resulting from said application, and from any and all divisions and continuations thereof, to the said ASSIGNEE as assignee of the entire interest, and hereby covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith.

We also covenant and agree that we will at any time execute and deliver any and all papers relevant to perfecting the title to said invention and to any patent that may be granted therefor in said ASSIGNEE or its assigns and that if said ASSIGNEE or its assigns shall desire to file any division or continuation application, or to secure a reissue of such patent, will, upon request, sign all papers and do all lawful acts requisite for the filing of such divisional, continuing, or reissue applications and the procuring thereof.

We do further covenant and agree that we will, at any time upon request communicate to said ASSIGNEE or its assigns such facts relating to said invention and patent or the history thereof as may be known to us.

In Testimony Whereof we have hereunto set our hands and seals on the dates indicated to the right of our signatures.
